1	its been a pleasure. i have respect for the teachers especially for prof. Marko Stojanoic. I was marveled by him. It was a very good experience. thank a lot.
1	On this course of Tempus SPEED I've estimated felt, because it was a special assistance, interesting and necessary knowledge to help me in my career path further. Therefore I would like to thank the entire

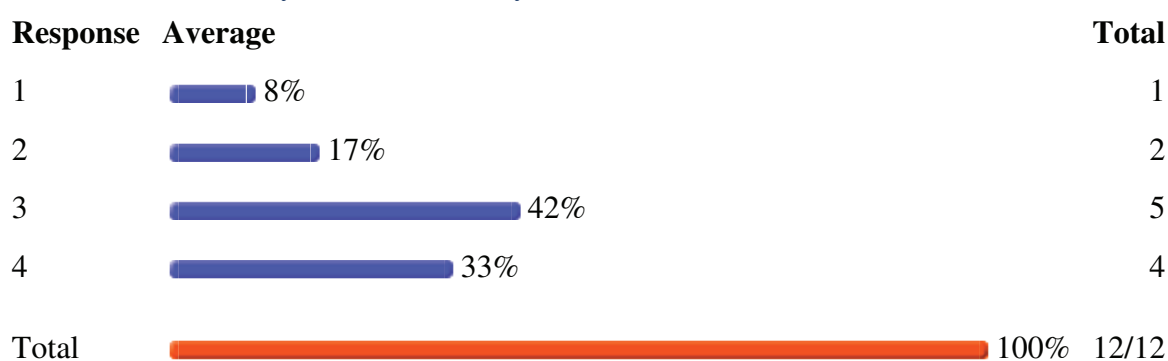

staff of teachers, lecturers, doctors etc. with all the care and dedication that they have given us their time and effort.

1 Thank you very much for all you've shared with us, it was very helpful for us knowledge

1 Thank you very much for all you've shared with us, it was very helpful for our knowledge

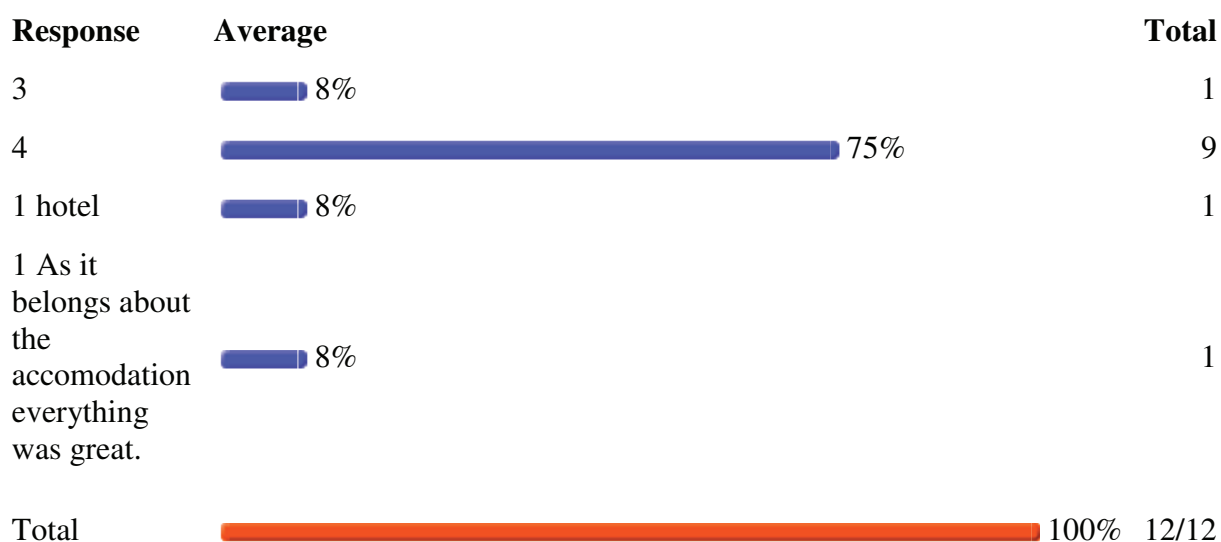

1 The all Tempus Speed program helded in Tirana has gone absolutely perfect, we learn a lot of new things and very interesting professor's. One thing i didn't like was the outdoor activities were missing from the part of the school, meanwhile in Novi-Sad this part was organised very well. However i'am very happy to be part of Tempus Speed course

Activate an evening course.	 42%	5
Recommendations and ideas for the organisers:	 8%	1

Everything was great.I don't think there is nothing to add.

Recommendations and ideas for the organisers: I think 7 hours straight on lectures are too much for a student.

Mabye it will be better if it would have more time on during lunch or to make after every hour a 10 min break so the students will be more attracted to the lectures.
